- Provisional Career and Technical Education Family and Consumer Sciences (PCTF)
- Standard Career and Technical Education Family and Consumer Sciences (SCTF)
- Provisional Vocational Family and Consumer Sciences (PVF)
- Standard Vocational Family and Consumer Sciences (PVF)

Note: The .99 course is an additional career preparation course that is added to the beginning of the required program sequence of courses. The .99 course may not replace any course in the required sequence of courses; the entire required sequence of courses must be taught in addition to the .99 course. In programs where there are four courses in the sequence (i.e. Agricultural Business Management) .99 courses are not appropriate.
